

# Certificate of conformity of the factory production control FPC- K90998/02

Issued	2018-01-01	Replaces	FPC-K90998/01
Valid until	2023-01-01		
First issued	2016-01-01	Page	1 of 1

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction product

## ECOFREPS granulate

## Scope of certificate:

EPS products made of this raw material and within a density range (not mixed with other materials) from 13 kg/ m<sup>3</sup> up to and including 35 kg/ m<sup>3</sup> will fulfil the requirements of class E according to EN 13501-1.

placed on the market by EPS raw material supplier

# UNIPOL HOLLAND B.V.

and produced in the manufacturing plant

# Rijnstraat 15A, Oss

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex E of the standard

## EN 13163:2012+A1:2015

are applied and that the factory production control is assessed to be in conformity with applicable requirements.

The assessment of the factory production control takes place on voluntary basis since this assessment is not a formal task for a notified factory production control certification body according to the CPR annex IV.

This certificate was first issued on 2018-01-01 and shall be checked once a year. If a product no longer complies with the requirements for this certificate, the EPS producer shall be informed immediately by the raw material supplier.
