

# Certificate of conformity of the factory production control **FPC-K90998-3**

Issued	2023-05-15	Replaces	FPC-K90998-02
Valid until	2028-05-15		
First issued	2016-01-01	Page	1 of 1

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction product

## **ECOFREPS granulate**

### **Scope of certificate:**

EPS products made of this raw material and within a density range (not mixed with other materials) from 13 kg/ m<sup>3</sup> up to and including 35 kg/ m<sup>3</sup> will fulfil the requirements of class E according to EN 13501-1.

placed on the market by EPS raw material supplier

## **Unipol Holland B.V.**

and produced in the manufacturing plant

## **Oss**

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex E of the standard

### **EN 13163:2012+A1:2015**

are applied and that the factory production control is assessed to be in conformity with applicable requirements.

The assessment of the factory production control takes place on voluntary basis since this assessment is not a formal task for a notified factory production control certification body according to the CPR annex IV.

This certificate was first issued on 01-01-2016 and will remain valid as long as neither the harmonised standard, the construction product, the AVCP methods nor the manufacturing conditions in the plant are modified significantly, unless suspended or withdrawn by the certification body.

Ron Scheepers  
Managing director
