Statement regarding REACH conformity BEWI RAW Oss grades

BEWI RAW Oss is aware of and working according the (EC) Regulation 1907/2006 (REACH).

We confirm that our EPS grades are considered mixtures under REACH and that all substances contained in these products are registered under REACH or exempted for registration.

We are continuously monitoring that our BEWI RAW Oss EPS grades do not contain any substances listed on the REACH Candidate List of Substances of Very High Concern (SVHC) for Authorization in individual concentration equal or higher than 0,1% by weight. Candidate List of SVHC can be found at the ECHA website (<https://echa.europa.eu/nl/candidate-list-table>).

Please check the product safety data sheets (SDS) in the download section at our website for further specific details.

Please do not hesitate to contact us with any question on the information provided herein (algemeen@unipol.nl).
